North East Cell

About the society

The College has constituted a **North East (NE) Cell** comprising of faculty members and student representatives to look after the interests of students from the North-Eastern states. In an academic year, the NE Cell organises a Help Desk at the time of admission, an orientation programme for new students, an academic lecture and the much-awaited cultural fest called Heritage. It enables them to actively participate in the academic and co-curricular activities of the College as well as sports and cultural activities across the University.

Equal Opportunity Cell and Enabling Unit

About the society

The Equal Opportunity Cell of the College addresses issues related to students from SC/ST/OBC/PwBD/EWS and other categories. The cell helps and empowers them to fully participate in the academic, intellectual, social and cultural life of the College.

The Enabling Unit of the College, Swashrit, meets the requirements of differently-abled students. The College has an inclusive infrastructure where two elevators and wheelchair facilities are provided. Access to the College is barrier-free. The cell supports students in their academic pursuits through various assistive devices and software. The College library has a dedicated lab with five workstations for differently-abled students. Educational and motivational talks, PwBD Talent Hunt programme, Career Counselling and participation of students in various cultural and sports activities are regular features. Educational trips like a visit to the National Museum Tactile gallery 'Anubhav' are also conducted.

Women Development Cell

Women Development Cell

About the society

PGDAV College has always been a frontrunner when it comes to creating gender-sensitive social and institutional spaces. The Women's Development Cell at PGDAV College is an active body that believes that students are the agents of change. The cell promotes gender equality by training and sensitising students and staff alike towards gender issues. Activities related to women's rights, physical and mental well-being, safety, and legal rights are held from time to time. Impactful events and awareness programmes are organised to promote gender equality, to empower women and to bring about a perspective shift. Students, girls as well as boys, are encouraged to engage in debates, discussions and dialogue to achieve an understanding of gender relations, to acknowledge and recognise patriarchal gender stereotypes that are culturally embedded in our social structure and to strive to steer away from such patterns. Some of the most effective events held in the past include a self-defence workshop for girls, theatre performances that addressed gender disparity, a panel discussion on the 21st Century Indian Working Woman, to mention just a few. The WDC is committed to continue to work towards women's empowerment and gender equality.

About the society

The College has SC/ST and OBC Cells to look after the interests of the students through guidance, counselling and financial help. They aim to provide an inclusive environment.
