Dear Colleagues,

Meeting of the TiC's with the Principal and Vice Principal was held on 11/09/2020 and a few things were discussed. Sharing the relevant ones here.

1. This is for teachers who have to teach first years. There is a possibility that you may be teaching the first years in Jan-Feb 2021 even as you start teaching the even semesters. This overlap could happen due to delayed admissions.
2. The Principal reiterated the need to take tutorials/preceptorials/practicals.
3. The checking of examination papers is to be completed as soon as possible.

This is to inform you that last year's committees will continue unchanged as of now. That means all of you are in the same committee as you were in the previous academic year.

This too was discussed in the meeting of the TiCs held last week.

Thanks!
