## SAMVAAD Report

On 28th November, 2020 Samvaad organised its 'Orientation Program' to officially welcome and induct the Freshers who joined the Political Science (Hons.) course in the 1st year. The Freshers were introduced to the Faculty and were informed and made aware of the course structure, Samvaad's legacy and major annual events, PGDAV College and various societies of the college. On 5<sup>th</sup> December, 2020 Samvaad organised an Open Book Examination (OBE) session to make students aware of the nitty-gritties of this new format of online examination.

French writer Anatole France said, “*To accomplish great things, we must not only act, but also dream; not only plan, but also believe.*” Samvaad too with its ‘**Vision 2020+1**’ did not just plan or dream but, even in the shortest of time and in the limited virtual setting, started working tirelessly to implement, execute and put to action these numerous plans which were envisioned. With the beginning of the ‘Even’ semester from 4th January 2021, Samvaad began working at full blast and organised numerous events in the semester. In the month of January an Intra-department Debate Competition on the topic 'Censorship of OTT platforms' was held, an Online Treasure Hunt, Movie Review Session and E-Sports Event was also conducted. The process of Learning is not limited to the spaces of classes and textbooks, but is ubiquitous and a continuous process, and to enrich this learning, on 13th January 2021 Samvaad organised an Intra-Department Quiz Competition. Samvaad organised an Intra-Department Poetry-cum-Tutorial Session – “कवी कविताएँ और संवाद” which was aimed at imparting the basics of poetry composition to the students.

‘**Know Your Republic**’ is an annual event organised by Samvaad to celebrate the *Republic Day of India* which helps us make students aware of the various tenets and facets of our Republic. This year, while several societies cancelled or minimized their events, Samvaad on the other hand decided to extend the celebrations to a 2-day event and organised a multitude of events on 22nd and 23rd January, 2021. A webinar was organised on the topic “**Indian Constitution and its Philosophy**” and the speaker for the event was *Professor Ujjwal Kumar Singh* from the *Department of Political Science, University of Delhi*. Other events organised in the two day ‘Know your Republic 2021’, which saw immense participations from several colleges and universities, were Inter College Quiz Competition, Inter College Treasure Hunt Competition, Inter College Debate Competition and Inter College Poster making Competition.

Samvaad issued the very first edition of the proposed monthly E-magazine of Samvaad, titled, ‘**THE DIALOGUE**’ in which Students from all three years of the department contributed eloquently written articles on various issues and happenings of January 2021 ranging from *Farm Bills*, *‘Love Jihad’ Act to US President Biden*, *India at UNSC*.

On 15th February, 2021 Samvaad organised a Webinar on the topic - “**President Joe Biden and US-India Relations**” for which *Dr. Rajan Kumar* (*School of International Studies, Jawaharlal Nehru University*) was invited as the “Guest Speaker”. The session was highly informative and educational for all the students as it gave them an excellent opportunity to understand in detail the bilateral relations of India and USA and this crucial aspect of India’s foreign policy and global politics through the deep insight and knowledge of Dr. Rajan Kumar.

Samvaad held its annual fest – ‘**SAMVAADUTSAV 21**’ on 9th and 10th March, 2021 under the theme ‘**Justice: Through the Ages**’. The fest began with keynote Webinar, on the topic ‘On the Site and Scope of Justice’, by our Guest Speaker Prof. Ashok Acharya who eloquently talked about Justice and various facets. Further the fest was packed with a plethora of events like ‘Quizocracy?’ -

Inter-college Quiz Competition on the theme – ‘Millennial India’, ‘*तर्क-Vitark'21*’- Inter-college Debate Competition on the topic ‘Public Interest Litigation (PIL) is an instrument of Socio-Economic Justice’, ‘*Alfaaz-e-Hunar*’, An Inter-College Online Open Mic Competition, Photography and short film making competition, ‘*Khel T.R.P Ka*’ - News Presentation Competition and ‘Earth Parliament’ to encourage young minds to discuss, deliberate and find solutions to the global ecological crisis. As a closing event an online **Talk Show** was organised with Speaker **IAS Miss Ira Singhal**, who talked about several key issues like the role of administration in ensuring Justice, Women empowerment, bureaucracy, etc. The versatile family of Samvaad portrayed their immense talent digitally with two short films that were screened during the events. Through these short films, Samvaad tried to shed light upon two social menaces prevalent in our societies. The film "*KHAMOSHIYA*" dealt about depression while the second short film "*AFSOOS*" highlighted the many vices of drugs and its abuse among the youth.

Samvaad has come out better and stronger from the tough times of the global pandemic and the entire team or rather family of Samvaad has shown utmost dedication and commitment to keep the students of the department engaged and in action constantly and even in the coming times Samvaad continues to strive for such excellence.

# NSS – A HOPE FOR BETTER TOMORROW

---

National Service Scheme is an Indian government - sponsored program under the Department of Youth Affairs and Sports of the Government of India. National service scheme(NSS) was established on the auspicious occasion of birth platinum Jubilee of one of the most selfless man, "Bapu", in 1969. Being an initiative by minister of youth affairs and sports, this scheme covered 37 universities and 40,000 hardworking students whose basic idea was to give a personality boost with the help of selfless social work. The NSS plays a vital role in the development of the latent aspect of the student's personality. Since the establishment of the college, the NSS unit has been functioning with full vigor and enthusiasm.

## OUR MOTTO -

**'Not Me, But You'**, N.S.S. P.G.D.A.V. endeavors to channelize the youthful energy and potential of students in the field of selfless service. The objective of this society is to provide a dignified life to the less privileged. We have a team of 100+ active members working rigorously to make a difference in the lives of others through various programs and competitions. Along with the various seminars, workshops and awareness campaigns.

## OUR MISSION - (PRIMARY DEPARTMENTS)

N.S.S. P.G.D.A.V. has taken various projects that focus on numerous issues in different social spheres. These projects include

- ❑ **ASTITVA- The Child Education Department**, dedicated in offering learning assistance to the underprivileged students in coping with studies.
- ❑ **RURAL DEVELOPMENT Department**, aims to bridge the gap between rural and urban areas to an extent where everything available in cities is also available in rural areas.
- ❑ **P.W.D. Department**, aims to help the students with disability in every possible manner be it academics or co-curriculum activities.

## OUR MISSION -

- ❑ **WOMEN DEVELOPMENT Department**, thrives not only for women development but for a society where both men and women can walk home together and not fear the dark and empty streets.
- ❑ **PROJECT SAHAAYATA**, this project is an initiative taken by NSS PGDAV under which various drives are organized to help the people who are in need and require attention for a happy living.

## JOURNEY TILL NOW -

### 1. SWACHHTA PAKHWADA 2021-22 (CLEANLINESS DRIVE)

Look around, walk around, breathe clean air and don't litter the ground. With this motto the passionate volunteers of NSS P.G.D.A.V came up with the Cleanliness Drive and took an initiative to clean the College premises and its surroundings on 6th of August. The volunteers who could not reach college due to the ongoing pandemic contributed by cleaning their respective locality. NSS P.G.D.A.V volunteers wholeheartedly took part in this activity. We appreciate all those who made an effort to be a part of this drive and are working towards protecting the environment.

## 2. GREEN YATRA (PLANTATION DRIVE)

"Environmental Revolution begins with greening the motherhood" We at N.S.P.G.D.A.V are all buckled up for a Plantation drive "Green yatra". It is an initiative to create awareness and commemorate the importance of trees among the masses. Keeping this in mind and worrying about the upswing trend of deforestation, the zealous volunteers of N.S.P.G.D.A.V planted trees at college campus, at their homes and nearby areas, thereby abiding by their moral duty towards environmental protection and its development. "Add a tree to nature. Add a saviour to your life"

### 3. FIT INDIA FREEDOM RUN 2.0 (CELEBRATING 75 YEARS OF INDIA'S INDEPENDENCE)

"RUNNING: The human body's rawest form of FREEDOM" - Sports Authority of India

With immense pride and pleasure, we would like to inform you all that N.S.S, P.G.D.A.V. College organized a FREEDOM RUN in the college campus with our NSS volunteers, under the government initiative of the FIT India Freedom Run 2.0 to celebrate 75 years of India's independence- Azadi Ka Amrut Mahotsav.

Our Principal Mam Dr. Krishna Sharma was also present in the college with our NSS team. She enlightened us all by throwing light on the significance of fitness and healthy lifestyle and urged all the volunteers to actively participate in the freedom run. 90 volunteers which included NSS members and students from various courses, faculty members and staff actively took part and ran in this freedom run with great enthusiasm and covered a distance of around 1.5 km while running.

Due to the ongoing pandemic restrictions, all our volunteers couldn't go to college to take part in the freedom run. So the remaining volunteers joined this programme through google meet and cheered up the participants. Also the members who joined through online mode participated in the event by performing some yoga asanas and meditation.

## 4. Vaccine Awareness Drive and Survey

The hesitation towards vaccination with the COVID-19 vaccine remains a problem worldwide.

With this thought, Our Nss Team enthusiastically took part to contribute efforts to the society by knowing the need for vaccination in some slum and exclusive areas. The upshot of the survey was incredible/positive, Largely people have been vaccinated and some have at least got their first jab of the vaccine. The ones who weren't aware of the vaccination were ready to be a part of the vaccination camp if organized by our team.

## 5. HOPE- Help Other People Eat (Food Donation Drive)
