4. To raise social consciousness and responsible behaviour in society. Towards this objective, Enactus plans to launch 'Nistaaran' to specifically conduct cleanliness drives. The Society also plans a special sustainable waste management drive through the creative concept of transforming cow-dung into usable incense sticks.

5. To continue Remedial Classes for students at the end of every semester.

6. To appoint a professional psychologist keeping in view the increasing social, emotional, and mental health issues faced by young people today. It was felt that the youth when facing problems were at risk in believing and adopting self-damaging measures readily available on the social media and other platforms without ratifying the source of the information or competence of the people available on various sites. The College plans to ensure that help and consultation is easily available and accessible on campus from bonafide experienced professional. It was proposed that inter alia, the service of a trained psychologist may be availed of.

Dr. Mukesh Aggarwal chaired the meeting.

The meeting ended with vote of thanks to the chair.
