

Annual Report of the Department of Political Science, 2023-24

SAMVAAD Report

Once Ralph Waldo Emerson said "Work hard, strive ceaselessly; victory awaits those who persist." Samvaad too did not just plan or dream but, even in the shortest of time started working tirelessly to implement, execute and put to action these numerous plans which were envisioned. With the beginning of the 'Odd' semester from 16th August 2023, Samvaad began working at full blast and organised numerous events in the semester.

On 16th August, 2023 Samvaad organised its 'Orientation Program' to officially welcome and induct the Freshers who joined the Political Science (Hons.) course in the 1st year. The Freshers were introduced to the Faculty and were informed and made aware of the course structure, Samvaad's legacy and major annual events, PGDAV College and various societies of the college.

In the month of October an Intra-department Quiz Competition i.e. M.E.L.A. quiz covering topics of Mythology, Entertainment, Literature and Arts was held on 19th October 2023 in the Old Seminar Hall. The quiz marked the inauguration of various events to be held by the SAMVAAD SOCIETY of the college. The college mentors encouraged the students for more active participation for an overall development.

Also in the end of the month (October 2023) Samvaad organized an informal interactive session for all the students which turned out to be a perfect outing as every student of first, second and third year got to know each other well and the first years were also given titles as a part of them being fresher in the college.

Samvaad diligently enhances general awareness through its proactive engagement on social media, marking every awareness day with informative posts. It amplifies its reach by crafting insightful videos on specific topics for YouTube. Additionally, Samvaad fosters community involvement with its weekly initiative, "Fridays for Samvaad," where individuals convene to deliberate and debate on a spectrum of non-controversial social and political matters. This multifaceted approach cultivates a well-informed populace and encourages constructive dialogue on pressing issues.

'Know Your Republic' is an annual event organised by Samvaad to celebrate the *Republic Day of India* which helps us make students aware of the various tenets and facets of our Republic. This year, while several societies cancelled or minimized their events, Samvaad on the other hand decided to extend the celebrations to a 2-day event and organised a multitude of events on 24th and 25th January, 2024. A webinar was organised on the topic **"Federal Structure of Indian Constitution"** and the speaker for the event was *Professor Rekha Saxena* from the *Department of Political Science, University of Delhi*. Other events organised in the two day 'Know your Republic 2021', which saw immense participations from several colleges and universities, were Inter College Quiz Competition, Inter College Open-Mic Competition and Inter College Debate Competition which saw a participation of over 200 students from various colleges.

Samvaad is also in between the procedure of issuing the edition of the proposed ANNUAL magazine of Samvaad, titled, **'THE DIALOGUE'** in which Students from all three years of the department contributed eloquently written articles on various issues and happenings of 2023-24 ranging from *G20 to Israel-Palestine conflict*.
