

P.G.D.A.V COLLEGE (M), NEHRU NAGAR, NEW DELHI

Event : Society Formation titled "TAARANK"

Overview:

Taarank Society, established on **3rd September, 2023**, at PGDAV College, is a dedicated social working organization with a primary goal of providing education to underprivileged children residing in slum areas. Over the past year, the society has undertaken various initiatives to uplift the marginalized sections of society and create awareness on crucial issues such as hygiene, sexual harassment, and menstrual health.

Educational Outreach:

One of the core objectives of Taarank Society is to provide educational opportunities to children living in slum areas. Through organized tutoring sessions and educational workshops, the society has been instrumental in bridging the educational gap among these children, offering them a chance for a brighter future.

Women Empowerment and Health Initiatives: Taarank Society has actively engaged in creating awareness among women from slum

communities regarding hygiene practices and sexual harassment. Additionally, the society has distributed sanitary pads to women in need, ensuring menstrual hygiene and health among this vulnerable demographic. By addressing these critical issues, Taarank Society aims to empower women and improve their overall well-being.

Support for Slum Children:

Beyond education, Taarank Society has provided various forms of support to slum children, ranging from access to basic necessities such as food and clothing to organizing recreational activities and skill-building workshops. These efforts aim to enhance the quality of life for children living in challenging circumstances and foster their holistic development.

Conclusion:

In conclusion, Taarank Society has made significant strides in fulfilling its mission of serving the underprivileged communities around PGDAV College. Through its dedication and commitment, the society has positively impacted the lives of numerous individuals, demonstrating the transformative power of grassroots initiatives in bringing about social change.

Team TAARANK,

P.G.D.A.V. College

DRIVES DONE BY OUR TEAM :

- **Date - February 11, 2024**
- **Event - Women empowerment campaign**

Women are stated as the most important personas of any society. And if we want our society to grow in the right direction, we must ensure the growth of women in the society. With the same perspective in our heads, our team headed out towards women living in slum areas and nearby residences and took a step forward educating the women about most common topics which they must have in their knowledge. The crucial topic of the family planning was discussed with them, making them understand about their own health issues and factors like overpopulation etc. They were informed about healthy and hygienic ways of living and diseases which might occur while ignoring the above stated ways. Also they were made aware about government schemes and how they can take benefits from them in making their lives easier. Our team discussed the very significant topic of sex education with them. They were told their importance and our team ensured that they started feeling more confident than before the discussion. The event was carried down very peacefully and their comforts were prioritised in our discussions and campaigning activities. We wound up our event with distribution of sanitary pads and also served biscuits to all the participatory women in the events as a snack item.

The team members felt really grateful for getting such an opportunity in their lives contributing towards the healthy growth of our society.

DONATION DRIVE CONDUCTED BY OUR TEAM:

- **Date - February 12-13, 2024**
- **Event - Donation camp**

Any group is able to witness development and growth due to togetherness of its own team and bond of the team with the outer society. To build up the same and to muster resources to help the slum children, our society with respective objective only managed to held an event of donation camp on two days.

Here different people donated different things to help slum children. All the students and even professors were quite helpful in doing the same.

People donated biscuits, other food items, stationary items including pencils, pens, notebooks, etc.

And we managed to collect a total cash of 6200 indian rupees from our donation camp other than that of values of other resources.

And for a special mention, we're grateful to inform that our professor **Dr. Pradeep Singh**, from **EVS department**, donated a cash of 2000 rupees.

Title: Empowering Underprivileged Children: A Report on YUVA Collaboration Event

Date: 10/04/2024

Location: Lala Lajpat Rai Park

Collaborating Partner: YUVA

Introduction:

On 10/04/2024, TAARANK in collaboration with YUVA organized a heartwarming event aimed at providing support and guidance to underprivileged children. The event focused on distributing essential items like biscuits and chocolates while also educating the children about maintaining a healthy daily routine.

Event Highlights:

1. **Distribution of Essentials:** Volunteers distributed biscuits and chocolates to the underprivileged children, offering them not just food but also a moment of joy and delight.
2. **Educational Sessions:** Alongside the distribution, educational sessions were conducted to impart knowledge about the importance of maintaining a daily routine. Topics covered included hygiene practices, nutrition, and the significance of regular activities such as studying and playing.

3. Guidance and Support: Volunteers took the opportunity to offer guidance and support to the children, addressing any questions they had and providing encouragement to pursue their dreams and aspirations.
