

## **YEARLY REPORT 2021-2022**

"Sankhyiki, the Statistics Society of P.G.D.A.V. College, hosts various extracurricular academic events, notably the 'SKEWSION' departmental festival, featuring talks by experts and activities like creative writing and quizzes. They held an orientation program on November 23, 2021, and a webinar on data science with Mr. Srijit Mukherjee from ISI on March 3, 2022. 'SKEWSION' took place on April 14-15, 2022, with Dr. Priyanka Anjoy as Chief Guest discussing opportunities for statistics students in the government sector. The festival included engaging activities like Paper Presentation and Battle of Kings, attracting students from various universities."
