

Community Outreach Programmes- Taarank

Taarank is devoted to its vision and mission of social upliftment, dedicated to nurturing a more inclusive and equitable society. Through a diverse array of activities and events, Taarank aims to bridge societal gaps, providing support and opportunities to those in need. Our initiatives encompass educational support, community service, and awareness campaigns, all designed to empower marginalized groups and promote social harmony and justice. By engaging students and faculty in meaningful projects, Taarank not only enriches the lives of beneficiaries but also induces a sense of responsibility and empathy in the participants. Our commitment to making a tangible difference drives us to continually expand our reach and impact, striving towards a future where everyone has the chance to thrive.

On a sunny morning in the heart of our college campus, Taarank organized a heartwarming event dedicated to supporting the education of children from marginalized families. The event witnessed the benevolent distribution of school bags, books, and dresses to these children, aiming to lighten their educational journey and boost their confidence.

The ceremony was graced by the esteemed presence of our respected Principal, Prof. Krishna Sharma Ma'am, whose unwavering commitment to social welfare has always been an inspiration. Prof. Sharma Ma'am personally handed out the school supplies and attire to the children, sharing words of encouragement and stressing the importance of education in transforming lives.

As part of its ongoing commitment to social upliftment, Taarank organized a vital outreach activity in the slums of Nehru Nagar colony. College students volunteered to provide essential health-related information and distribute sanitary pads to underprivileged women in the area. By empowering these women with knowledge and resources, Taarank strives to improve their health and well-being, inculcating a more informed and healthy community.
