

Alumni Events English Department

The English Department is proud to keep connected with its alumni. We have a very active WhatsApp group called Illumni where the faculty members stay in touch with students from all batches. We also call one or two of our ex-students every year to address our current batches in order to motivate them and to give career counselling. In the past we have invited Mr Gaurav Chauhan (consultant, Deloitte US), Mr Amit Bhardwaj (Senior Special Correspondent, India Today, Aaj Tak), Ms Jasleen Bagga (Writing Instructor, Ashoka University), Mr Anubhav Tekwani (poet). We were delighted to have a great number of our alumni connect with us at the Annual alumni meet held on college premises on 12th May, 2024.
