From the Principal's Desk

Established in 1957, PGDAV College is one of the oldest colleges of University of Delhi. It was brought into existence to address the challenges of higher education in newly burgeoning nation. Committed to the ideals of Swami Dayanand Saraswati, PGDAV College is an integral part of the rich heritage of the Dayanand Anglo Vedic Movement—a pioneering social reform movement since the 19th century. Maharshi Dayanand Saraswati's vision for modern global education within the Indian milieu is an inspiring gospel for our mission at PGDAV. In his book *Satyarth Prakash*, Maharshi propounds that Shiksha (education) helps one to acquire knowledge, culture, righteousness, self-control, and the like virtues, dispelling ignorance and evil. It also opens up path to follow *Dharma*, convinces one to take actions guided by love, and aims at ultimate objective of doing good for the whole world. PGDAV College proffers a combination of Shiksha and Samskara – modern education embedded in Indian values for the welfare of the society and nation-building.

The College offers Honours and Programme degrees at the undergraduate level in 13 exciting courses across 12 disciplines. In addition, it also offers 4 courses at the postgraduate level. The college is equipped with state-of-the-art infrastructure, smart classrooms, conference halls, well-furnished labs, a beautiful auditorium, an automated library, and world-class sports and coaching facilities. The affable and efficient staff of the college always lend a helping hand to the students and guide them through these facilities. Co-curricular and cultural activities are integral to learning at PGDAV along with rigorous academic training. PGDAV College has avowed for *Sarvangin Vikas* (overall development) of our wards. The college provides an enabling environment, training facilities, guidance for nurturing and grooming of students in sports, fine arts, music, dance, theatre, and many other skills. Our wards achieve accolades on national and international platforms. PGDAV is the proud alma mater of many international sports persons and artists of world repute. Several studentships and scholarships are available for helping and encouraging young learners.

In our quest to contribute towards creation of stronger communities, we believe in providing inclusive education. We facilitate a conducive learning environment for our differently-abled students by offering friendly infrastructure and forthcoming staff. A thriving Enabling Cell helps make the college a more sensitive space for differently-abled students.

Our resolve towards inclusive education and a better society has grown stronger since the pandemic. Our highly qualified and congenial teaching staff as well as supporting staff creatively engage the students by using online and offline pedagogical resources. During Covid-19, a 'Student Fund' was created to financially aid students adversely affected by the pandemic.

PGDAV sensitises students towards mother nature and takes pride in sustainable practices for enhancing green cover and reducing carbon footprints. Vishwa Kalyan (global welfare) and *Rashtra Nirman* (nation-building) through value-based scientific education is our guiding force at PGDAV. I, along with team PGDAV, warmly welcome newly admitted students into the PGDAV family for an enriching learning experience and an association for life.

Asato Ma Sadgamaya! – (From untruth to the truth!)

– *Brihadaranyaka Upanishad*

The College

Founded in 1957 by DAV College Managing Committee, Pannalal Girdharlal Dayanand Anglo-Vedic (P.G.D.A.V.) College is a co-educational, NAAC accredited institution. It draws its traditions of excellence and learning from two eminent institutions of education in India: University of Delhi and the DAV Education Trust – the world’s largest organisation in the field of education with over 900 schools and colleges and a university.

Location

The college is situated at a prime location in Nehru Nagar, near Lajpat Nagar, on the Ring Road. It is extensively connected by bus and metro. The Vinobapuri Metro Station on the Pink line of Delhi Metro is located right next to the college premises.

Courses on Offer

At the undergraduate level, the College offers 13 programmes spread across 12 departments in the disciplines of Arts, Commerce, Computer Science and Mathematical Sciences. At the postgraduate level, the College offers courses in Commerce, Hindi, Mathematics and Political Science.

Distinguished Faculty

Over the years, the College has emerged as a centre of excellence under the stewardship of a string of illustrious principals and highly qualified, committed and experienced faculties. Many faculty members of the institution are associated with research projects and curriculum development. They are engaged in guiding students at Postgraduate, M. Phil. and Doctoral levels.

Holistic Development of Students

PGDAV College not only ensures a disciplined and organised learning environment, but also provides a supportive learning experience through a wide spectrum of co-curricular societies and academic societies. The events organised by various departmental societies at inter-college levels are aimed to enrich and enhance the learning process of our students and broaden their horizons.

The Cultural Society of the College, Hyperion, has consistently displayed wonderful performance over the years, raising its bar higher in each academic year, with the awards tally going to more than 150 in the academic year 2022-23. This growth of the cultural society motivated us to rechristen our Annual Cultural Fest from Aaghaz (beginning) to Arohana (rising upwards).

PGDAV College emerged champion in the Swami Dayanand Saraswati Inter-College Day-Night T20 Cricket Tournament organised in March 2023, to commemorate 200th birth anniversary of Swami Dayanand Saraswati. The tournament saw participation of 12 cricket teams of different colleges of Delhi University.

Notable Alumni

As Nobel laureates, Prime Ministers, scientists, athletes, members of the military, actors, media personalities, CEOs, and other leaders in their areas, DAV students have made significant contributions to India's economic and social growth. PGDAV College takes pride

in contributing to this list of achievers. One of our English (Hons) alumni, Mukund Thakur secured AIR 54 in UPSC Civil Services Examinations '20 and is currently working as a District Collector in the Calicut District of Kerala. Another former student from History (Hons) Mukund Singh Chahar (2018 batch) secured AIR 273 in UPSC Civil Services Examination '22. Our alumnus from Commerce Department, Deepa Halder has recently been appointed as Faculty in the prestigious management institute – IIM Indore.

Mukund Thakur

PGDAV College is well-known for encouraging sports talent. This commitment has resulted in producing sports persons who have not only brought laurels to the College but to the University and the Nation as well. Cricketers like Late Raman Lamba, Atul Wassan, Parvinder Awana, Anureet Singh etc., are some of the illustrious alumni of the College. Our alumnus Yogesh Sharma represented the country in U19 Cricket while Kunwar Bidhuri represented Delhi State in Ranji Trophy Cricket Tournament. Another alumnus Lalit Mohan secured a gold medal in International Taekwondo Championship in May 2017.

Excursions and Field Trips

The College furthers supplements the learning it confers to its students through excursions and field trips which provide non-formal avenues for them to experience holistic learning.

Student Awards and Scholarships

Academic prizes for proficiency in various disciplines are awarded to meritorious students every year at the College Annual Day function. The College has also instituted the Dr. B.R.

Ambedkar 'Best Student of the Year' Award. The college awards scholarships also, information related to which can be accessed by visiting the following link at college website: <https://www.pgdavcollege.in/student-corner/scholarships>. Interested students are advised to regularly visit the page for some special scholarships or fellowships that may be released from time to time.

Awards and Recognitions

Principal Prof Krishna Sharma has been awarded by the International Savitri Bai Phule Shodh Sansthan for her significant contribution to literature and education.

The College has been recognised by Mahatma Gandhi National Council of Rural Education (MGNCRE) under the Ministry of Education, Government of India, for its efforts in sustainability. It has been awarded with Certificate of Sustainable Campus. The College has also been declared as a 'Zero-Waste Management' institution by the Deputy Committee, Central Zone Municipal Corporation of Delhi for the efforts of wet and dry waste segregation.

Courses Offered & Distribution of Seats

Undergraduate Programmes

PGDAV College is a constituent College of the University of Delhi. The academic curriculum is adopted and used as approved by the University. The Undergraduate courses on offer fall under the purview of the National Education Policy (NEP) 2020, adopted by the University of Delhi. The NEP 2020 envisages imparting academic knowledge, technical and professional-skills as well as life-skills as part of holistic education. In addition to the academically rigorous Discipline Centric Electives and Generic Electives (GE), the University of Delhi has also augmented the curricula with Skill Enhancement Courses (SEC) and Value-Added Courses (VAC) in various domains. Skill Enhancement Courses provide students different kinds of skills, such as communication, coding, financial literacy, etc. which is combined with hands-on-learning so that the students get trained for the professional path they choose. The Value Added Courses intend to impart a sound value system to the youth.

Application & Admission Process

Admission Procedure

Admissions to all UG Programmes in the College are done strictly on the basis of the eligibility requirements, criteria, and procedures specified by the University on its website. The entire admission process is online. Students may find the Under-Graduate Bulletin of Information - 2023 (UG-BOI '23) at the following link:

<https://www.du.ac.in/uploads/new-web/13.02.2023-DU-UG-BOI%202023.pdf>

The student is responsible for regularly checking the Delhi University Admission Portal for updates, guidelines, schedules, and admission-related policies. They are advised to check their dashboard, email, and admission website (<https://admission.uod.ac.in/>) for all communications and updates related to admissions.

Candidates seeking admission under the Foreign Students' category are required to apply on Foreign Students' Registry website: <http://fsr.du.ac.in>

At College the following members will remain available for assistance:

- Convenor, Admissions Committee
- Members, Help Desk Committee
- Members, Grievance Redressal Committee

Admission Process in College

1. Under the system of **Common Seat Allocation System (CSAS 23)**, after having been provisionally allocated a seat for a course in a college, the candidate is required to 'accept' the provisionally Allocated Seat. Once he does so, the College will verify the following within the stipulated timeline:
 - i. Minimum Eligibility of the Candidate
 - ii. Program-Specific Eligibility of the Candidate
 - iii. Subject Mapping: UoD will consider only those CUET subjects in which s(he) has passed Class XII
 - iv. Validity and authenticity of Documents/Certificates submitted by the Candidate.
2. After verification, the college will either 'approve' or 'reject' the provisionally Allocated Seat of the candidate. Once the college accords the approval, the candidate will have to pay the admission fee for the approved seat.
3. The admission process will be treated as complete only after successful payment of the admission fee. If a candidate fails to pay the admission fee within the stipulated time, it will be considered as a cancellation of the provisionally Allocated Seat. The Allocated Seat shall be forfeited and the candidate will not be considered for any subsequent CSAS-2023 allocation rounds.

4. Admission fee on account of withdrawal of the admission by the candidate will be refunded completely only if the withdrawal has been made before the last date of admission, as announced by UoD. Admission fees for withdrawals done after the last date of admission will not be refunded in any circumstance. Refunds will not be done for the CSAS-2023 Application Fee, Mid-Entry Fee and Withdrawal Fee.
5. At the conclusion of CSAS-2023, all admitted candidates would have to report to the College and complete all the admission formalities of the College, including physical verification of the documents/certificates.

Note :

Admission of a candidate is purely provisional and is subject to verification of original documents by the respective college. If at any stage, the original documents relating to a candidate's admission are found to be fake/non-genuine or fabricated or in any other manner defective, the concerned candidate will not be admitted and if already admitted, admission will be cancelled without any prior notice in this regard. No fee shall be refunded in such cases. Further, such a candidate will forfeit the opportunity for admission to any UG Program of UoD for the Academic Session 2023-24. If the same is found after completing the course, the candidate's degree will be cancelled and appropriate legal action will be taken against him/her.

Admission on Extra-Curricular Activities and Sports (Supernumerary Quota)

1. Candidates can apply for a maximum of three ECA categories. However, admission will be offered in only one category.
2. For each ECA category in which the candidate is applying, s(he) must upload a maximum of Best Five certificates of the preceding four years, issued between the time period of 1st May 2019 – 30th April 2023.
3. Before applying, the candidates are advised to refer to the College-wise ECA seat matrix and the availability of ECA categories/sub-categories in various Colleges (published on admission.uod.ac.in).
4. Allocations to ECA Supernumerary quota for all Colleges is through the Central ECA Admission Committee of the University.
5. For admissions under the ECA Supernumerary quota, a candidate's Combined ECA Merit (CEM) score will be considered. The CEM score of a candidate will be the summation of 25% of the highest Program-Specific CUET percentage score of all the Programs in which s(he) has applied and 75% of the highest ECA score obtained from the ECA categories for which the candidate is being considered.
6. The maximum marks for ECA score shall be 75, comprising performance in physical trials and/or uploaded certificates, as applicable.
7. For an ECA score of 75 marks, for all 12 categories (except NCC and NSS), 60 marks shall be awarded on the basis of physical trials and 15 marks shall be awarded on the basis of the submitted certificates.
8. In the award of scores for performance in physical trials, the discretion of judges will be final and binding.
9. For all guidelines related to admission in Supernumerary Quota, candidates may go through Chapter 22 of UGC-CACS 2023, which can be accessed from the link given at: https://admission.uod.ac.in/userfiles/downloads/UG_CSAS_2023_14062023.pdf

Department of Commerce

“An investment in knowledge pays the best interest” – *Benjamin Franklin*

The Department of Commerce offers two Undergraduate Degree Courses in Commerce, namely B.Com. and B.Com. (Hons). It also offers one Postgraduate Course, M.Com. All of these courses are highly popular and sought after by the students. The syllabus enables the students to broaden their understanding and develop in-depth knowledge of major areas like Accounting, Finance, Marketing, Management, Human Resource Management, Foreign Exchange Management, Taxation, Law and other related fields. On the completion of the course, students become equipped with sound knowledge about the tools and techniques used in the interpretation of financial statements, the concepts of Corporate Governance, Auditing, Income Tax, Corporate and Business Laws and Research Methodology. This course prepares students to deeply understand the corporate world and also enables them to become successful entrepreneurs. The course also serves as the foundation for professional courses like CA, CS, CMA, CFA, MBA etc.

The Department of Commerce also has a devoted Academic and Research Committee named 'ANALYTICA' for greater emphasis on qualitative research and overall development. The Commerce Society, *Commercium*, provides a dynamic platform for brilliant minds of faculty members and students to share their enormous reservoir of knowledge and skills. It organises various activities like workshops, seminars and the Annual Commerce Fest.

Department of Computer Science

With the vision of holistic development of students and grooming them into vibrant professionals who are well-grounded in knowledge, skill and confidence in the field of computer science, the Department of Computer Science offers B.Sc. (Hons) Computer Science, BA (Programme) Computer Applications and provides Computer Science as one of the disciplines in B.Sc. Mathematical Sciences. Core papers like Operating Systems, DBMS, Computer Networks, Data Structures along with latest subjects like Python, JAVA, Artificial Intelligence, Machine Learning and Internet Technologies are taught as a part of curriculum to B.Sc. (Hons) Computer Science and B.Sc. Mathematical Sciences. The courses match the requirements of professional software engineers and open a wide range of academic avenues like MCA, M.Sc. and MBA. The department also offers BA(Programme) Computer Application course which is mainly for non-science students. The course promotes computer literacy and programming skills so that the students gain basic skills for entry level jobs in information technology.

The students are taught using various ICT techniques. The faculty is well qualified, experienced and responsive to the academic disparities in the background of the learners. Many of our students have been successfully placed in various companies, including Deloitte, TCS, FIS Global and Wipro. The computer science society, Parikalan, conducts coding competitions, quizzes, web designing and many other activities on regular basis under the aegis of its five clubs. Professional workshops in areas like Robotics, Machine Learning etc. are conducted from time to time along with talks on the latest topics from professional luminaries.

Department of Economics

Economics is a study of how social choices are made in the production and distribution of goods required for satisfying our material needs. The focus of the discipline and the course is on giving the students the tools required for rigorous and abstract analysis, which forms the mainstay of modern theoretical economics. The Department of Economics of PGDAV College offers Honours course in Economics, and also offers major and minor courses for B.A Programme. After pursuing courses offered by the department, the students will be well equipped to pursue a postgraduate degree in Economics. An Honours degree in Economics gives a good grounding for entering the civil services, banking and financial services sector,

or the corporate sector. It is an intellectually demanding course and is most sought after at Delhi University.

Over the years, the reputation of the Economics department of PGDAV College has grown remarkably. The students of the economics department have outperformed not only in academics but also in other extracurricular activities. A cordial understanding between the teachers and the students in the department help in providing the optimum environment for teaching and learning.

Apart from academics, the department also encourage students to participate in extra-curricular activities for their overall personality development. The Economics Society of the College, Ecolibrium, has been performing the vital role of developing and showcasing the talents of the students in the sphere of economics. The annual economic fest, named 'Ecoligence' gives an opportunity to all the students from our college and from other colleges to participate in various activities like panel discussions, paper presentation, debate, economic quiz etc.

The Economics department also organizes certificate courses and lectures, and webinars by eminent speakers and experts on contemporary economic issues. The department is strongly committed to impart education that produces socially responsible, disciplined and sensitive citizens.

Department of English

"Literature adds to reality, it does not simply describe it. It enriches the necessary competencies that daily life requires and provides; and in this respect, it irrigates the deserts that our lives have already become." – C. S. Lewis

The study of English Literature is a stimulating experience for our students. The course not only covers the intensive study of British Literature but is also an extensive journey into iconic writings from all over the world, written originally in English or translated into English. The students are encouraged to develop analytical and critical skills with an interdisciplinary approach. The students are also trained in literary theory, where they learn to read a text from various perspectives and theoretical groundings.

The Department of English also has a vibrant society called Eclectica. It conducts various workshops, international lectures and conferences, inter-college literary and creative events to provide its students with the necessary experience in writing, organising and presenting papers as well as creative outputs. They acquire necessary skills in their development both as literature students and as individuals ready to participate and take on the challenges of the contemporary world. The programme prepares the students for a career in mass communication, journalism, management, civil services, creative writing, theatre and academics.

Department of History

"If you want to understand today, you have to search yesterday" – *Pearl S. Buck*

Through the teaching-learning of History, we are committed to inculcate and develop the socio-cultural sensitivities of our students. Our students have been successful in media, defence, academics, civil services and multinational corporations. Besides these avenues, History department also offers new and exciting opportunities in research institutions, archaeology, museology, archives, heritage management and historical tourism.

Both Core and DSE of our Honours and Programme courses prepare students to understand the historical processes beginning from the most ancient times that have resulted in the bourgeoning of India and the globalisation of the world. We strive to make the study of History more interesting and engaging through presentations, projects, and interactive sessions with eminent historians and through visits to various museums and heritage sites. The society of History department, Dharohar, is responsible for organising these events.

Department of Mathematics

"There is no philosophy which is not founded upon knowledge of the phenomena, but to get any profit from this knowledge it is absolutely necessary to be a mathematician" – *Daniel Bernoulli*

The course enables the students to explore a few major areas of mathematics like algebra, analysis, differential equations, number theory, geometry, probability and their

combinations. One of the important components of the syllabus is practical and lab work. It gives exposure to students about the applications of Mathematics which is one of the strongest and motivational aspects of this subject. Through practical work, they come to know how mathematical methods/models are used extensively in Economics, Computers, Engineering, Medicine, Agriculture, Architecture, Arts and all other fields of modern knowledge.

Apart from the core papers, B.Sc. (Hons) Mathematics also includes Discipline Specific Ability Enhancement and Skill Development course. Discipline Specific papers can be chosen from a pool of courses. Besides teaching and research, a student mathematically trained through this course has opportunities in the field of computing, economics, finance, banking, market research analysis, space studies and oceanography, to name a few. The faculty consists of dedicated and experienced teachers.

Department of Political Science

Apart from B.A.(Honours) in Political Science, B.A.(Programme) with the combination of other subjects, the department offers Post Graduation in Political Science as well. Political Science is a crucial discipline that helps us comprehend society and the functioning of the state. It encompasses both theoretical and practical aspects of politics, involving the examination and evaluation of political systems and behaviours. Its various subfields encompass areas such as political philosophy, constitutional analysis, diverse political systems across countries, public administration, international organizations, foreign policy, and international relations. In line with the new NEP scheme, the department has introduced relevant and research-based papers that complement the core subjects, including Comparative Government, Political Theory, Indian Constitution, International Relations, Public Administration, Understanding Ambedkar, Gandhi and the Contemporary World, and Feminism. Additionally, students can explore intriguing and career-oriented papers under the SEC and VAC categories. Acquiring knowledge in these areas proves beneficial for careers in Civil Services, Law, Media, Politics, Policy Studies, Management, Journalism, NGOs, and the academic profession.

To foster student engagement, the department has established an elected society called Samvad. This society regularly organizes debates and competitions, which provide students with opportunities to showcase their skills and knowledge. For more information, you can visit the Facebook, Instagram page, and YouTube channel of Samvad, the Political Science Society of PGDAV College.

संस्कृत विभाग

संस्कृत सिर्फ शास्त्रीय भाषा नहीं है, वर्तमान में एक विषय के रूप में भी इसका अध्ययन किया जा सकता है। वर्तमान चयन आधारित आकलन पद्धति (सी.बी.सी.एस.) पाठ्यक्रम इन दोनों पहलुओं को ध्यान में रखता है। संस्कृत साहित्य में दार्शनिक, धार्मिक, ऐतिहासिक, कविता, संगीत, नाटक और वैज्ञानिक ग्रंथों की एक समृद्ध परंपरा शामिल है और यह पाठ्यक्रम प्राचीन भारतीय ज्ञान और समृद्ध बौद्धिक परंपराओं को समझने के लिए एक तरह से प्रवेश द्वार है। पाठ्यक्रम भाषा कौशल में सुधार करने के लिए तैयार किया गया है तथा छात्रों को बेहतर संचार एवं रचनात्मक क्षमताओं से युक्त करता है।

संस्कृत विभाग शैक्षणिक उत्कृष्टता को बढ़ावा देता है और अपनी विभागीय समिति 'संस्कृत-समवाय' के अन्तर्गत छात्रों की सहभागिता के साथ सेमिनार, व्याख्यान, प्रश्नोत्तरी, वाद-विवाद, श्लोक-पाठ और श्लोक-गान प्रतियोगिताओं का आयोजन करके छात्रों के समग्र व्यक्तित्व को विकसित करने में भी मदद करता है। विभाग नियमित रूप से 'वेद-व्याख्यान-मञ्जरी' व्याख्यानमाला का आयोजन करता है जिसके तहत प्रसिद्ध विद्वानों को व्याख्यान देने के लिए आमंत्रित किया जाता है।

जो छात्र सामान्य ऐच्छिक और कौशल संवर्द्धक पाठ्यक्रम (सभी ऑनर्स और कार्यक्रम पाठ्यक्रमों के लिए) के रूप में संस्कृत को लेना चाहते हैं उन्हें भाषा, साहित्य, वैदिक गणित और खगोल विज्ञान, वाद-विवाद विज्ञान, तर्क और सौंदर्य शास्त्र जैसे विषयों में लाभ मिलेगा। इससे छात्रों को रोजगार में भी व्यापक अवसर प्राप्त होगा।

Department of Statistics

Statistics is not merely a tool for collecting numerical data but is also a means of developing rigorous techniques for handling, analysing and drawing valid inferences from the collected data. Further, in order to validate the theory taught in the classrooms, the students perform practical in the laboratories using various programming languages and software packages. This course prepares students for careers in business, industry, actuarial sciences as well as for further studies in finance and business statistics. Apart from this, the graduates of statistics can appear in Indian Statistical Service and Civil Services. A statistician's job has been termed as the 'dream job' of the next decade. The Department of Statistics has very eminent faculty members who have varied experience in teaching and research. The Department of Statistics also has a vibrant society, Sankhyiki, which conducts various activities like presentations, projects and interactive sessions with eminent statisticians.

Infrastructure and Facilities

The college meets the latest infrastructural requirements. The entire campus is Wi-Fi enabled. The college has added smart classrooms equipped with overhead projectors and separate departmental rooms. The facility of QR codes is provided outside the classroom and departmental rooms. It has an RO water system. In our endeavour to promote ecological sustenance, the campus is fully equipped with a rainwater harvesting system, beautiful lawns and herbal gardens.

Library

Librarian: Ms. Garima Gaur Srivastava

PGDAV College library has a very rich collection of one lakh four thousand books on various subjects and disciplines including reference books, general books and text books. It subscribes around 66 periodicals and 19 newspapers for the knowledge and pleasure of reading for the students and faculties alike. We aim to provide comfortable and peaceful reading ambience that helps students to enhance their concentration while studying for long hours. The library is fully computerized, air-conditioned and Wi-Fi enabled with High-tech CCTV surveillance to ensure conducive and pleasurable reading environment. The library offers various services to its users like Membership, Circulation, Reference, OPAC, Book Bank, Article Alert and Reprographic Services. To check the availability of books in the library from remote places WEB OPAC services has been initiated. The recent initiative of locating the Library provides free access to both conventional as well as electronic resources like N-LIST , DELNET and Delhi University Library System(DULS) e-resources to its registered users. The remote log facility is provided to students and faculty members of the college.

Newly developed E=library with 23 terminals is dedicated to students of the college facilitating free access and downloading of e-books, e-journals and other academic resources. College library has reshaped the Reference Section into Reference-cum-Conference room. The section is embellished with comfortable furniture, latest ICT facilities for conducting orientation programmes, short term courses and other educational activities for the holistic development of the students and teachers.

Conducting library orientation programmes, awareness about open educational resources, organizing book fairs is a regular feature of our college library. It is accessible on all working days to all students and staff members of the college. Each student is offered library membership at the time of admission. College ID card is provided after the students get registered in the record of the library.

Library Rules

- All students of the college are issued a college ID card from the library once the fees are deposited. Students are required to register themselves in the library showing their fee slip.

- Reference sources and books kept under the Reference Section of the Library will not be issued and are only for reading in the library.
- Handle the library resources carefully.
- Use of mobile phones in the library is strictly prohibited.

Facilities for Differently Abled and Meritorious Students

College Library extends support to needy students through book bank facility. Needy and meritorious students can borrow five books for the entire semester related to their course without any additional cost. Library supports its differently-abled students through various assistive devices and technology. We have a dedicated lab for accessing Braille library resources, *Suganya Pustakalaya* and reading & recording of other resources for visually impaired students. Students are assisted in learning and reading through various software like JAWS and devices like ANGEL DAISY Reader, MP3 recorder, Net books, Zoom Ex Instant Text Reader, Lex Portable Camera etc.

Students may visit <http://pgdavlibrary.saraswatilib.com/> for further information about the library.

Computer Laboratories – Internet and Intranet Facilities

The College has 6 well-equipped computer labs with about 220 computers in all. All these labs provide students with access to the Internet and Delhi University Library System. All the computers are on Ethernet LAN, and the campus is Wi-Fi enabled. For subject requirements, various licensed as well as open-source software and platforms like Linux, Oracle, Android platform, MySQL give our students a hands-on experience of the latest technology. In addition, there is one Statistics lab.

Environmental Studies Laboratory

The college has a well-equipped air-conditioned Environmental Science laboratory to carry out experiments and for practical training of students in the subject.

Auditorium and Seminar Hall

Swami Dayanand Saraswati Sabhagar, the College auditorium, is very well equipped, fully air-conditioned and acoustically well-maintained. In addition, the college has a seminar hall. Both these spaces are venues for guest lectures, conferences, workshops, placement drives, debates, discussions, Faculty Development Programs and cultural activities.

Refreshment Facilities

The College has two cafeterias that provide students a range of healthy, nourishing and hygienic meals and snacks at a fair price. The main canteen is located conveniently in the Students' Amenities Block. It is considered to be one of the biggest canteens of the University. The other cafe is near the staff gate and offers refreshing beverages and quick meals. Both also serve as vibrant meeting places for the student community.

Bank

The College has a branch of the Central Bank of India on its premises. The bank with its amiable staff offers service to both staff and students.

Medical Facilities

The College has a medical room that provides first-aid assistance. Dr. Neena Paul is available during specific hours. A full-time nurse is also available in the college. The medical room has a vending machine for the convenience of girl students. During the tough Covid times, RT-PCR test facility and a vaccination centre were also made available to our students and staff.

Elevators

The college has a provision of a lift for the benefit of differently-abled students. There is another lift for accessing the Swami Dayanand Saraswati Sabhagar.

Fitness Centre

PGDAV College has an excellent Gymnasium in its campus. It has all the modern and essential facilities which help its students to develop their personality and health. These facilities are also available to the staff members so that they can also maintain their fitness and health. The Gymnasium has facilities for cardio exercises as well as strength and core exercises along with weightlifting exercises with weights of different classes. The most important of all is that an experienced trainer has been appointed to properly guide the students about the exercises and its dynamic aspects. Locker rooms and changing areas are also provided in the campus which ensure a good security to the students.

Website

The college has a user-friendly interactive, accessible and bilingual (Hindi and English) website.

Sports Complex

The College recently inaugurated the new sports complex, well equipped with four flood lights to facilitate day and night matches. It also has a synthetic running track on the periphery of the ground.

Girls' Common Room

The girls' common is located beneath the New Seminar Hall in the Students' Amenities Block. This exclusive area is utilized for various purposes by the girls but especially for rest and recreation. The common room is a big hall with comfortable seating and attached washrooms. This also makes it a favoured place for costume changes and rehearsals for events that take place in the New Seminar Hall due to its proximity

Boys' Common Room

The boys' common is located beneath the New Seminar Hall in the Students' Amenities Block. Due to its closeness to the College field, it is used as a place for rest and relaxation after games. It also provides a great view of the College field from the balcony and so makes for a convenient viewing gallery of the matches being played. The washrooms provide amenities for changing and showering.

Internal Complaints Committee (ICC)

In accordance with Section 4 (1) of Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act 2013, the College has a duly constituted Internal Complaints Committee (ICC) which comprises members from the faculty, non-teaching staff, student representatives and an advocate to look into the matters of sexual harassment. The Committee aims at making the college premises a safe place. Names and contact details of the members are posted on the College website and at prominent locations on the College campus.

Internal Quality Assurance Cell (IQAC)

IQAC PGDAV College has established itself as a highly competent body and a name to reckon with across colleges and universities. Internal Quality Assurance Cell (IQAC), an intrinsic part of the working of the college, is a statutorily constituted body of PGDAV College. Since its inception, it is actively pursuing quality assurance, improvement and sustenance goals in academic, administrative, and financial realms to deliver excellence in all its endeavours. The primary task of the IQAC is to develop a robust and sustainable system for conscious, consistent, and catalytic build-up of the all-around performance of the college. It undertakes, initiates and facilitates activities that seek to enhance the performance of students, teachers as well as the college holistically with special consideration to an overall improvement of parameters of academic excellence.

IQAC is proud of its progressive role in ensuring qualitative initiatives and facilitation of projects undertaken by the college principal, administration, societies, and departments. It has a calendar full of regular events specifically engaged in the following directions:

1. Betterment of academic performance of the students.
2. Expansion of scope of academic pursuits in the College.
3. Special focus on academic research with the help of Study Forums meets.
4. Introduction to job-oriented short-term courses.
5. Enhancing the employability of our final year students.
6. Taking measures to strengthen the college alumni base.
7. Engaging in CSR (Corporate Social Responsibility) activities.
8. Further development of co-curricular and extra-curricular domains.
9. Formation of a Parent-Teacher Association which leads to a more meaningful interaction between college and the stakeholders.
10. Introduction and taking forward the best practices for efficient and transparent administration.
11. Providing updated information on faculty progress.
12. Facilitation of the formation of Research Cell to promote research culture for faculty members and provide incentives to publish their work in academic journals of repute.
13. Contribution towards making the process of promotion of faculty members smooth.
14. Building a great physical infrastructure as a facilitator to imparting quality education.

Students' Union

Each student of PGDAV College is a member of the college's Students' Union. The Principal is the patron of the Students' Union. The Students' Union is affiliated to the Delhi University

Students' Union (DUSU). Participation in Students' Union activities is an opportunity for training in organisational skills and democratic leadership. Every year, elections are held as per the schedule notified by the university. The posts of President, Vice-President, Secretary, Joint Secretary and two Central Councillors are filled through these elections in which all students participate.

Equal Opportunity Cell and Enabling Unit

The Equal Opportunity Cell of the College helps and empowers students from SC/ST/OBC/PwD/EWS and other categories with an intent to encourage them to fully participate in the academic, intellectual, social and cultural life of the College. The Enabling Unit of the College, SWASHRIT, meets the requirements of differently-abled students. The College has an inclusive infrastructure under which two elevators and wheelchair facilities are provided. Access to the College is barrier-free. The Cell supports students in their academic pursuits through various assistive devices and software. The College library has a dedicated lab with five workstations for differently-abled students. Educational and motivational talks, PwD talent hunt programme, career counselling and participation of students in various cultural and sports activities are regular features.

SC/ST Cell and OBC Cell

According to 1998 UGC guidelines for the establishment of special cell for SC/ST, the College has SC/ST and OBC Cells to look after the interests of the students through guidance, counselling and financial help. The purpose of these cells is to help institutions implementing reservation policy with regard to admission of students and recruitment of teaching and non-teaching staff at various level. Also, the function of this cell is to provide an inclusive environment for students of these categories and to remove obstacles that come in their endeavour.

North-East Cell

The College has a well-constituted North East Cell (NEC) comprising of faculty members and student representatives to look after the interests of students from the North-Eastern states. Membership is extended to all students hailing from the Himalayan regions and also from foreign countries. The Cell is a vibrant society wherein students learn teamwork and leadership all the while being ambassadors of their own unique cultures and regions to students and staff of the College and the university. In an academic year, the NE Cell organises a Help Desk at the time of admission, an orientation programme for new students, academic lectures delivered by subject experts and the much-awaited inter-College cultural festival called 'Heritage'. NEC also encourages students to actively participate in various other academic and co-curricular activities held in the College as well as in sports and cultural activities across the university.

Women's Development Cell (WDC)

PGDAV College has always been a frontrunner when it comes to creating gender-sensitive social and institutional spaces. The Women's Development Cell at PGDAV College is an active body that believes that students are the agents of change. The Cell promotes gender equality by training and sensitising students and staff alike towards gender issues. Activities related to women's rights, physical and mental well-being, safety, and legal rights are held

from time to time. Impactful events and awareness programmes are organised to promote gender equality to empower women and to bring about a perspective shift. Students, girls as well as boys, are encouraged to engage in debates, discussions, and dialogues to achieve an understanding of gender relations to acknowledge and recognize patriarchal gender stereotypes that are culturally embedded in our social structure, and to strive to steer away from such patterns. Some of the most effective events held in the past include a self-defence workshop for girls, theatre performances that addressed gender disparity, a panel discussion on the 21st Century Indian Working Woman, to mention just a few. The WDC is committed to continue to work towards women's empowerment and gender equality.

All the above-mentioned societies admit students from first year through rigorous rounds of auditions in the beginning of the academic year. Students also participate in all the prestigious inter-college and inter-university competitions throughout the year. A collective of 150 prizes were won by the students in the year 2022-23 with some of the noted prizes from IIT BHU, IIT Roorkee, IIT Mumbai, IIIT, NSUT, to name a few. The final culmination of these activities is 'AAROHAN', the annual cultural festival of our college. It is an inter-university event that comprises of plethora of cultural activities, exhibitions and competitions carried out in a span of three days.

Sports

The College recognises the importance of sports in education, and values its contribution in the physical, mental and emotional well-being of a student. Indeed, sports is integral to the holistic development of the student. The College, through its Department of Physical Sciences, has been working consistently and dedicatedly towards promotion of sports. This commitment has enabled the College to produce some notable sportspersons.

National Service Scheme (NSS)

The National Service Scheme (NSS) is a scheme of the Government of India, Ministry of Youth Affairs and Sports. It was established on the auspicious occasion of the Platinum Jubilee of the birth of Mahatma Gandhi in 1969. The National Service Scheme unit of PGDAV

College is credited for being one of the most active NSS units of Delhi University. The sole aim of the NSS is to provide hands-on experience to young students in delivering community service. It helps students to grow individually and as a group; it also makes students confident, helps them develop leadership skills, and enables them to know the people from different walks of life with the help of competitions, seminars, drives, rallies, and talks.

Besides organising round the year activities, NSS runs some spectacular social projects, such as distress relief, blood donation camps, hygiene and cleanliness drives, and a host of other social activities taken up voluntarily or on the direction of the government. Outstanding volunteers are awarded special merit certificates and medals. Keeping up this motto of the National Service Scheme (NSS) "Not Me, But You", the journey so far has been rewarding and full of learning opportunities.

National Cadet Corps (NCC)

The College has both the girls' and boys' army wings of NCC. The unit of the college, under the able guidance of ANO (Associate NCC Officer) Lieutenant Ms. Renu Jonwall and Lieutenant Dr. Hari Pratap, has an active training calendar. The cadets get training in the army and other subjects like drill, first aid, map reading, signals, civil defence, slithering, firing etc. They actively participate in ATC, CATC, TSC, PRD, RD, SNIC camps organised by the Indian Army all over India. Besides imparting weekly training in drill and theory, the College unit organises inter-college NCC Festival PRABAL and NCC Day at the end of the year. After the completion of successful training and written exam, cadets get 'B' and 'C' certificates. The drill training and NCC certificate help them to fulfil their dreams to get into the armed forces after successful completion of Staff Selection Board (SSB).

Societies, Clubs and Associations

Placement Cell

The Placement Cell acts as a bridge between recruiters and fresh talent that our college nurtures every year. With 'Your Ambition, Our Aim' as our motto, we strive to provide our students with a variety of resources and opportunities for honing their skills and knowledge

base, as well as the professional etiquettes essential to flourish in the corporate career. Because of our constant efforts, PGDAV has been a preferred destination for a large number of reputed companies for recruitment. We place significant importance on our relationship with recruiters and are persistent in our commitment to make their recruitment experience successful and rewarding. Opportunities for placements and internships have been overwhelming in the past and we continuously our aim is to increase these opportunities in the upcoming ones as well.

Diligentia – The Entrepreneurship Cell

Incepted in September 2021, Diligentia – The Entrepreneurship Cell endeavours to inculcate entrepreneurial skills in young minds and provide them with a medium to convert their thoughts into actions. We, at Diligentia, emphasize being ‘Driven, Dynamic, and Determined’, which is also our motto and the predominant guiding force. So far, the cell has successfully designed and implemented talks, events, and projects to leave a lasting impression and foster an entrepreneurial mindset among the students. Some of our impactful events during the academic year 2022-23 include the first ever e-summit ‘Ebullient’, two successful entrepreneurial projects ‘Surabhi’ and ‘Prakriti’, and a food entrepreneurship event. Diligentia is a student-driven society that believes in experiential learning as the best way to set out on an entrepreneurial career. Mentored by a committed faculty team and lead by an enthusiastic, dedicated student core team, the cell aims at new heights every passing year.

Enactus-PGDAV

Keeping the spirit of social entrepreneurship in mind Enactus-PGDAV works for the empowerment of socio-economically weaker sections. Enactus-PGDAV is the PGDAV Chapter of ENACTUS, an international non-profit organization that works with the leaders in business and higher education to mobilize university students to make a difference in their communities through projects, empower the underprivileged communities, create entrepreneurs out of them, and give them the opportunity to gain experience and skills to build a successful career. It is a path towards sustainable progress for underprivileged people and their communities. In order to nurture the cause of upliftment and empowerment of the marginalised communities, team ENACTUS PGDAV collaborates with Shakti Shalini, an NGO dedicated to advancing gender equality and women empowerment since 1987. The team along with the members of the NGO carry out the work at Kushalta Vikas Kendra (KVK), which is the shelter home of Shakti Shalini.

Currently we have four projects running under Enactus PGDAV:

Project Korakagaz – This project was started in 2015 with the aim of uplifting women of marginalised sections by training them to become entrepreneurs in the stationery business. The project also provides them with regular wages for their livelihood. Project Korakagaz has also produced an independent entrepreneur from KVK, who has launched her independent brand, Abhilasha.

Project Nistaaran – In February 2020, Enactus PGDAV launched Project Nistaaran, an initiative to uplift the community of waste pickers by engaging them in production and marketing of chemical free non-toxic compost and bioenzymes from urban solid waste. These bioenzymes act as multipurpose cleaners as well as fertilizers which are a replacement of toxic chemical loaded cleaners in the market. Project Nistaaran also helps in reducing the greenhouse gas emissions by giving a feasible and cost-effective alternative to landfills.

Project Sugandh – In February 2020, Enactus PGDAV launched Project Sugandh, an initiative to protect people from malicious health problems and nurture the environment by providing charcoal free non-toxic and eco-friendly incense cones made out of waste flowers from temples and decorations. The project also aims at uplifting deprived communities.

Project Hope – It aims to enlighten the youth about how to safeguard their mental health.

Satark – The Consumer Club

Satark, The Consumer Club of PGDAV, solely devotes itself to empowering students by making them aware of their rights and responsibilities as consumers and seeks to protect them from being exploited. Satark came into existence in 2011 through an initiative of Consumers Forum, a registered non-profit organisation in India and a member of Consumers International, London.

At Satark, students are made to understand the value of sustainable consumption and sustainable production. The motive of Satark is to make consumers aware about their rights and frauds happening in the world. The Club helps to seek redressal against unfair trade practices and unscrupulous exploitation of consumers through various activities, seminars, inter-college competitions, panel discussions, fest, and knowledge sharing sessions. It always brings something new to the table for consumers - new sessions, new ways and new ideas to spread awareness amongst more people. E-waste is perilous to humans and the ecosystem, therefore, Satark, with its long-standing partner E-PARISARAA which is India's first e-waste recycler, makes students aware to dispose waste and e-waste responsibly.

Satark has its presence on various social media platforms, such as Facebook, Instagram and LinkedIn, through which it aims to make consumers aware via Satark Alert and Satark Stories.

Each programme has not only enthralled the staff and students but has also left behind treasures of learning.

College Magazine – Ankur

Ankur, the annual magazine of PGDAV College, is a delightful, thought-provoking amalgam of literary and artistic creativity. It is a record of the multifarious educational, co-curricular and extra-curricular activities in the College throughout the academic session. It provides through its Sanskrit, Hindi, and English sections a forum for the creative expressions of students and faculties alike. It affords an invaluable opportunity to students to sharpen their linguistic, artistic and editorial skills as they contribute not just with writing, but also with playing a significant role in conceptualising and editing the magazine. Over the years, it has grown both in content and excellence. Last few editions of the magazine may be accessed at: <https://www.pgdavcollege.in/college-publications/ankur>
