Annual Quality Assurance Report, 2023-24

Criteria 1.4.1

Institution obtains feedback on the syllabus and its transaction at the institution from the following stakeholders.

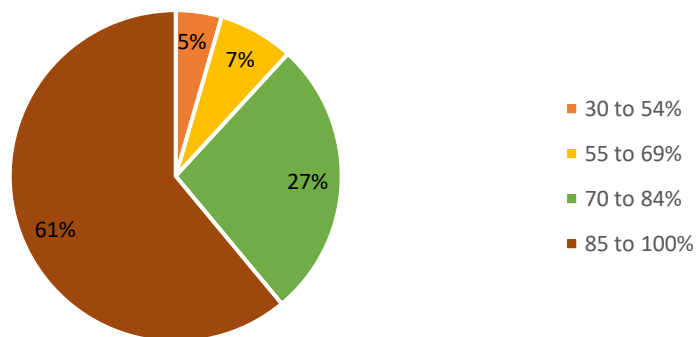

Analysis of Feedback form

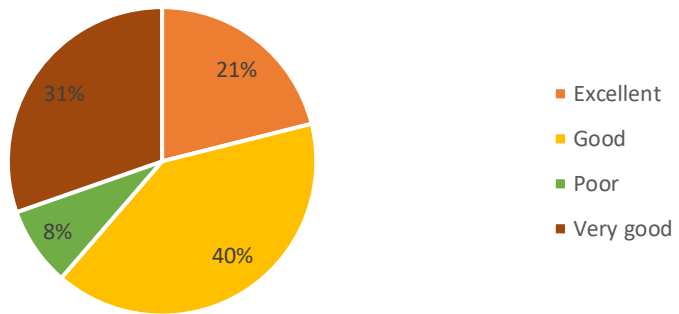

Students' Feedback Form Analysis

Based on student feedback, the curriculum is designed to meet current needs and offers opportunities for both further education and employment. Students are highly satisfied with the breadth of the syllabus and its delivery in the classroom. The curriculum strikes a good balance between theory and practical application. A large number of students rate the overall teaching and learning experience at the college as excellent, and the library provides an adequate selection of books and reference materials to support this.

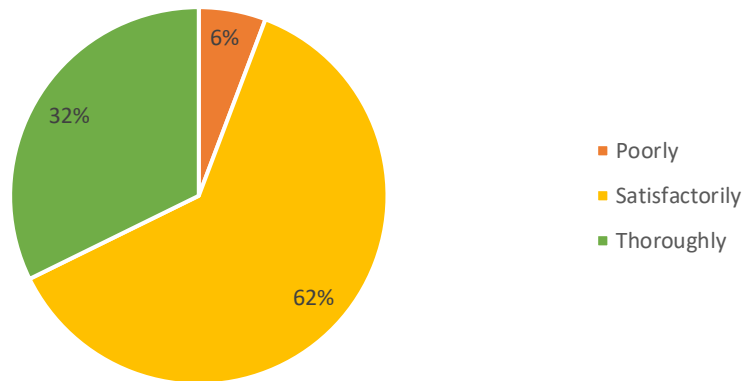

How much syllabus was covered in the class?

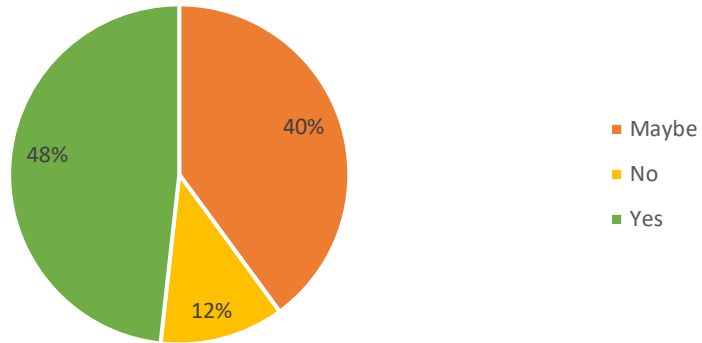

Does the syllabus has balance between theory and applications?

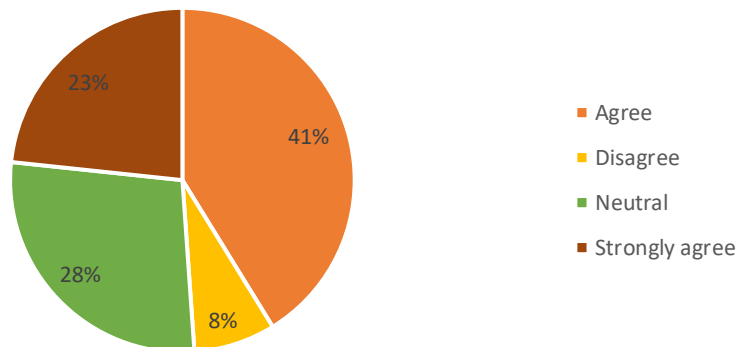

How well was the content of the syllabus prepared and delivered?

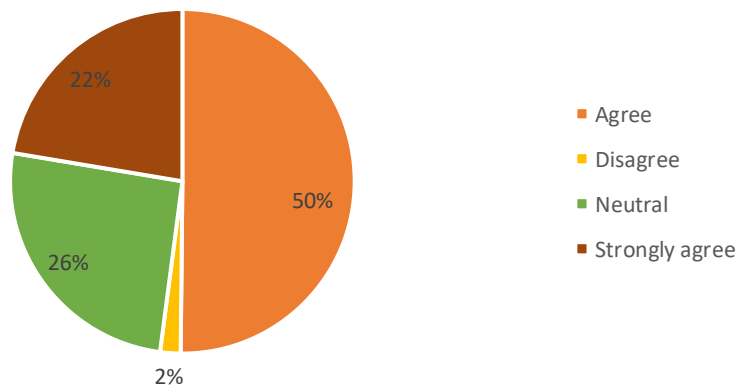

Does the curriculum has prospect for higher education and employability?

Are Sufficient number of prescribed books and reference materials available in the Library?

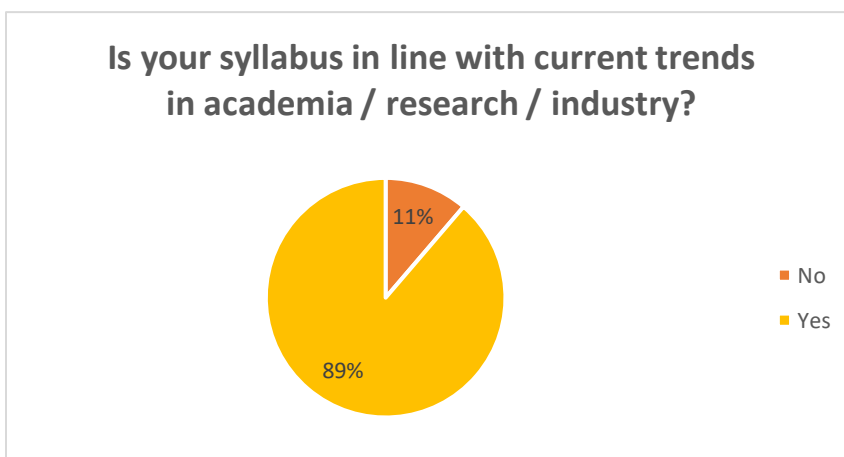

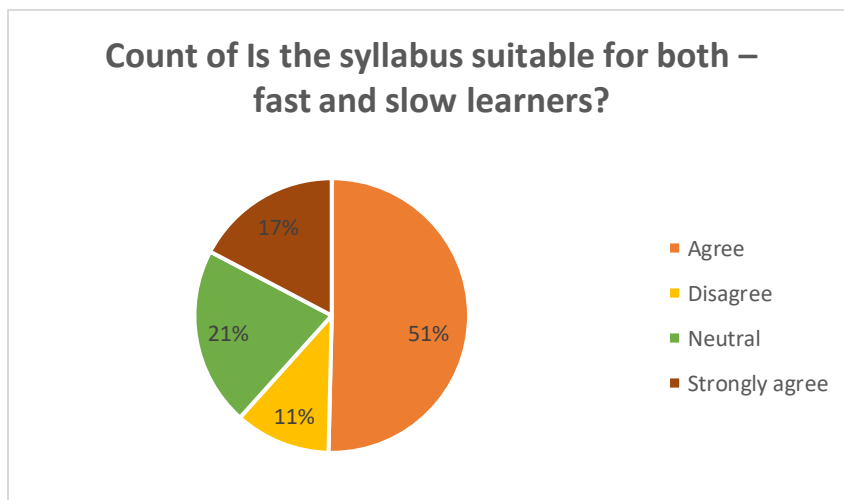

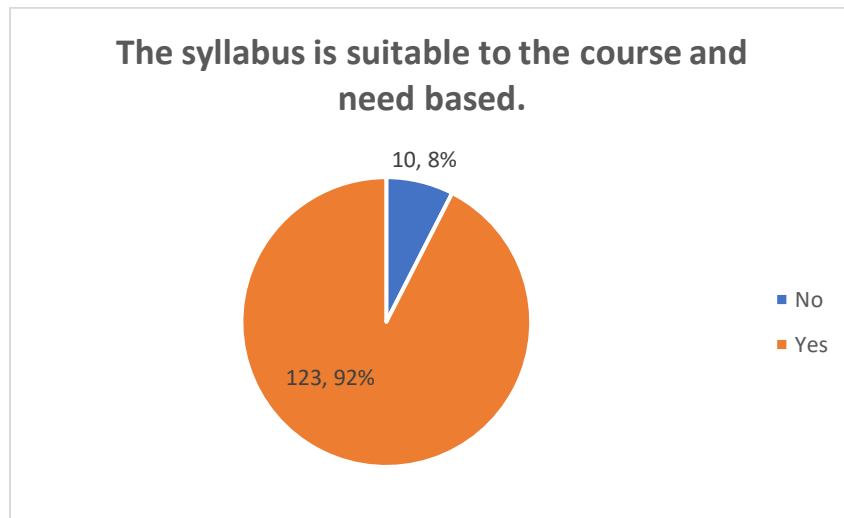

The overall teaching-learning process in the college is very good.
