b) Composting (Black Gold)

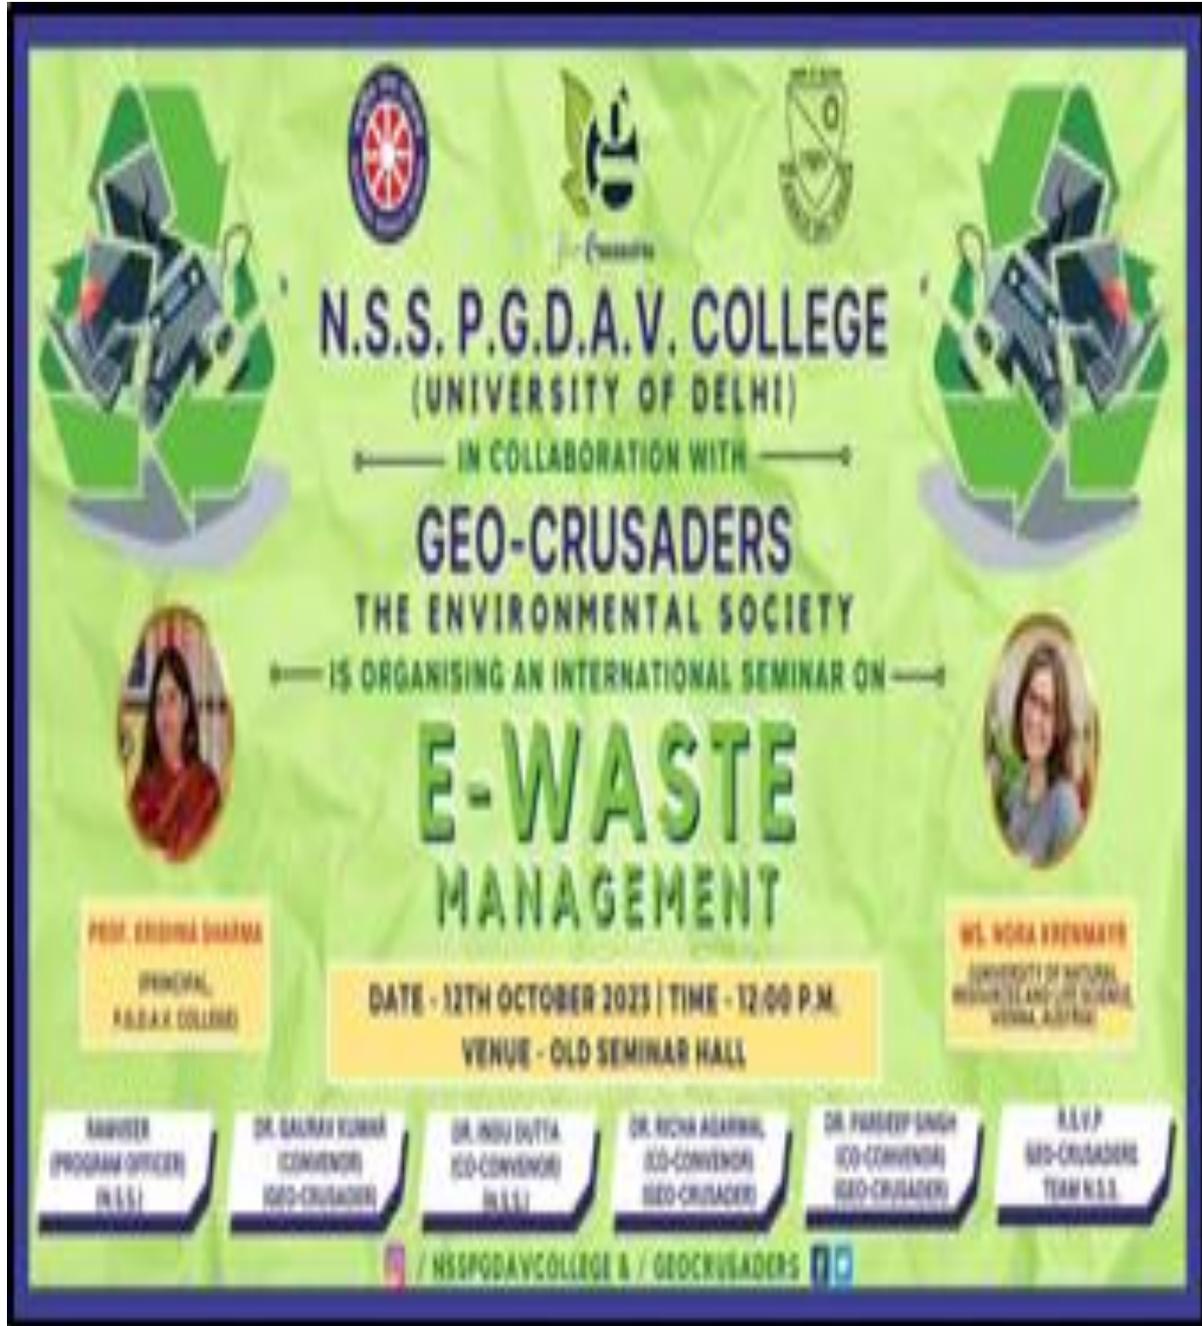

- Garden and kitchen waste are composted and converted into nutrient-rich compost.

c) E-Waste Management

i. Awareness Initiatives

On October 12, 2023, Geo-Crusaders and NSS organized an International Seminar for World E-waste Day, featuring expert speakers such as Miss Nora Krenmayr.

LINK: <https://www.pgdavcollege.in/academics/departments/environmental-studies/about>

- ii. **E-Waste Drive (1st-7th November 2023) organized by Satark, the Consumer Club, to promote responsible e-waste disposal. Collected 25 kg of electronic waste, including tablets, laptops, and cables.**

LINK: <https://www.pgdavcollege.in/studentcorner/societies/societiesdetails/85>

2. Environmental Education Initiatives

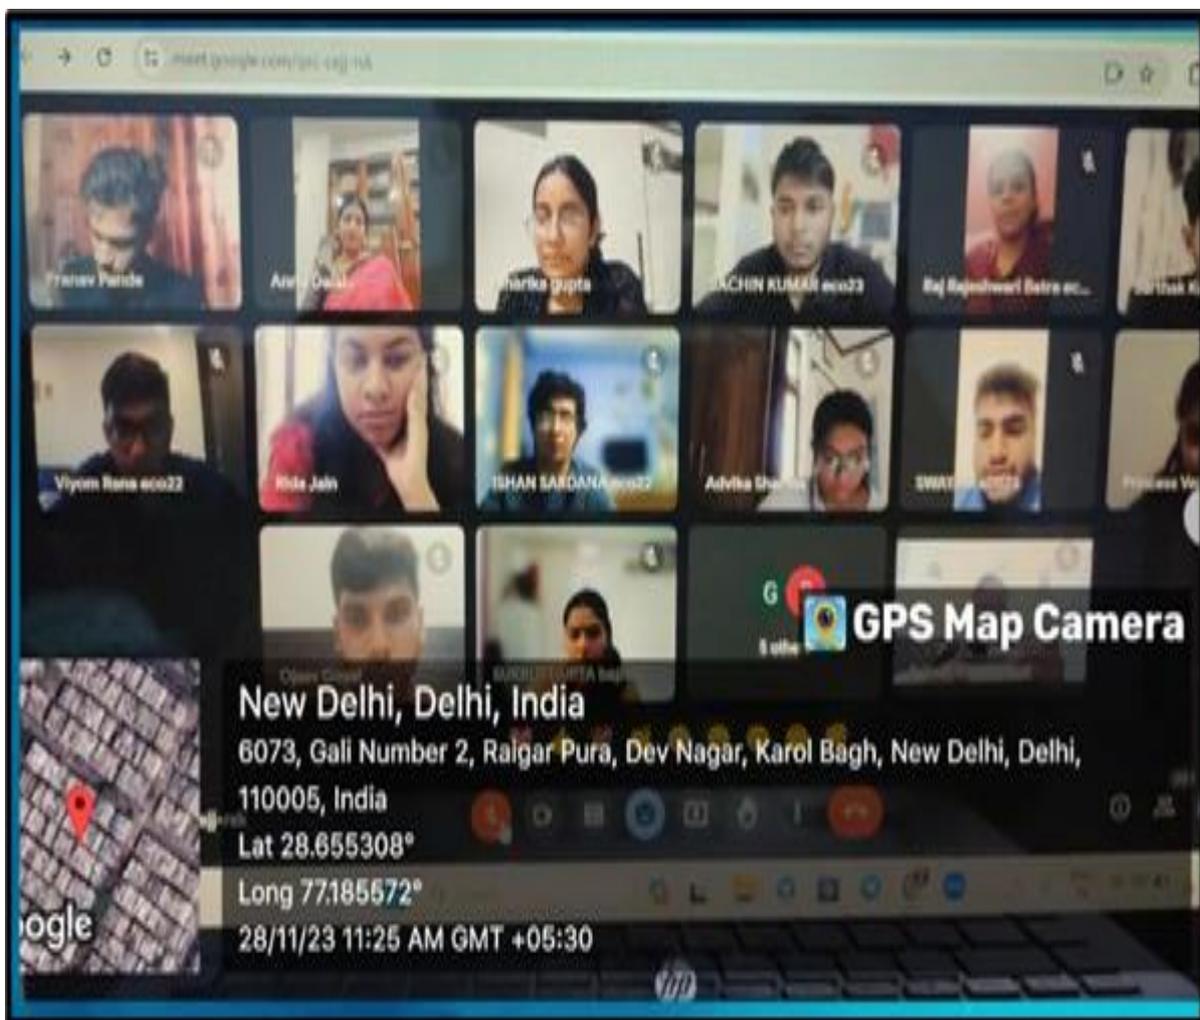

a) Celebration of Environmental Days

- Geo-Crusaders organized 30+ awareness events, including:
 - World Environment Day, World Zebra Day, World Wetland Day, World Water Day, International Tiger Day, World Wildlife Week, etc.

LINK: <https://www.pgdavcollege.in/academics/departments/environmental-studies/about>

b) Debate on Air Pollution (28th November 2023)

- In-house declamation competition organized by the Economics Department discussing the economic, social, and health impacts of air pollution.
- Participants analysed recent news and developments.
