Equal Opportunity Cell and Enabling Unit

About

The Equal Opportunity Cell of the College addresses issues related to students from SC/ST/OBC/PwBD/EWS and other categories. The cell helps and empowers them to fully participate in the academic, intellectual, social and cultural life of the College.

The Enabling Unit of the College, Swashrit, meets the requirements of differently-abled students. The College has an inclusive infrastructure where two elevators and wheelchair facilities are provided. Access to the College is barrier-free. The cell supports students in their academic pursuits through various assistive devices and software. The College library has a dedicated lab with five workstations for differently-abled students. Educational and motivational talks, PwBD Talent Hunt programme, Career Counselling and participation of students in various cultural and sports activities are regular features. Educational trips like a visit to the National Museum Tactile gallery 'Anubhav' are also conducted.
